

SCHOLARSHIPS FOR VETERANS

CEFA is proud of the commitment and sacrifice of the men and women that serve in the armed forces. As a special thank you to those brave soldiers CEFA wants to thank them for their service and help them transition back into the workforce. CEFA is offering scholarships to qualified veterans that will allow them to attend Commercial Trade Training Classes for Plumbing, Pipefitting and Ironworking for ONLY the cost of books. For \$250.00 a qualified veteran can attend Commercial Trade Training that is normally \$3,800 or MORE for only the cost of books. That includes nationally recognized NCCER credentials, hands-on training and job referrals.

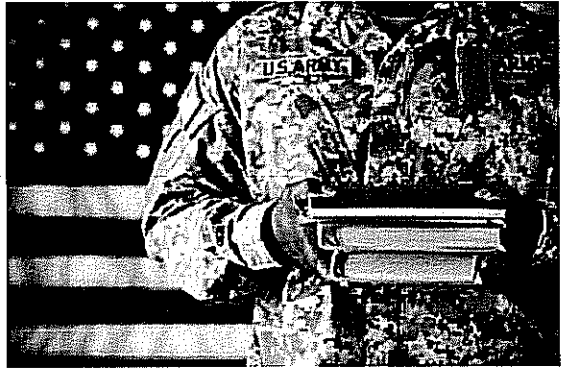

Scholarship Training For Veterans

APPLY TODAY !

Classes are scheduled to start in Sept & Oct

What do I need to do to participate?

- ⇒ You must commit two nights a week for 20 weeks to attend the training classes. Training is generally Monday/Wednesday or Tuesday/Thursday 5:00 to 8:20.
- ⇒ You must write a 500 to 1,000 word essay on why you want to participate.
- ⇒ You must come to the CEFA Training Center and complete an application in person. Applications are taken Monday –Friday at 9:30 a.m. or 1:30 p.m.
- ⇒ You must have \$250.00 on or before the first day of class for books.

Ironworker *

Ironworkers raise, place, and unite iron or steel girders, columns, and other structural members to form completed structures or structural frameworks. May erect metal storage tanks and assemble prefabricated metal buildings.

Pipefitter *

Pipefitter lay out, assemble, install, or maintain pipe systems, pipe supports, or related hydraulic or pneumatic equipment for steam, hot water, heating, cooling, lubricating, sprinkling, or industrial production or processing systems.

Plumber *

Plumbers assemble, install, or repair pipes, fittings, or fixtures of heating, water, or drainage systems, according to specifications or plumbing codes.

CEFA Veteran's Scholarship Training Program

If you are a veteran and want a jump start on a career in a construction trade and the inside track for employment in the industry you should consider participating in industry sponsored training. If you are selected to participate you will receive 160 hours of trade training, a nationally recognized credential and employment referral in the trade.

What does it cost? CEFA is asking any student selected to pay for the books (\$250.00) used in the training. ALL additional training costs are covered.

The scholarship funding is for training in Pipefitting, Plumbing or Ironworking. Exceptions may be granted for Electrical, HVAC, Carpentry and Welding based on availability. Each one of these trades is listed by the labor department as having a "bright outlook" for employment. There is also a solid demand for new employees in these trades.

- ✓ Electrical
- ✓ Plumbing
- ✓ HVAC
- ✓ Pipefitting
- ✓ Welding
- ✓ Carpentry
- ✓ Ironworking

General Program information: Classes are held two nights a week for 3.5 hours. The class is about 70% theory and 30% hands on. Actual class start dates are still being determined... but most will start mid-September or early October.

Selection Process: Selection will be based on the following; essay, peer or supervisor recommendation, transportation, and prior technical training.

Transportation: You must have transportation to and from class, show up on time and have someone to pick you up at 8:20 after class if you are not driving.

For more information contact CEFA at 205-956-0146.
